PREFACE

ONCE UPON A TIME Why was Goldilocks called Goldilocks? Was Tom Thumb really the size of a thumb? What did the wicked Queen really say in the mirror. Why was Snow White more fairer than she. Why did Red riding hood ware red? What was she really looking for in the forest. What did Snow White and the seven dwarfs really do deep in that wood. Fairy tales have been sanitized-bowdlerized. Adults had a bit more fun in those less anal non- bourgeois times. Life was honest less cleaned up less tidy more real. Fairy tales like poetry became the property of polite society for good little boys and girls in the nursery . But what did great great great great granddad and grandmother really hear tucked up by the fire-place deep in the woods where wolfs prowled succubus and incubus roamed the night. What did they hear dream deep in the woods as possums squirrels bunyips bunnies and fairies fucked. Read these fairy tales if you dare enter past the toadstool to once upon a time Inter past the toadstool these fairy tales read

SNOW WHITE -1

ONCE UPON A TIME

The wicked Queen to her room fled and to the mirror said
Mirror mirror on the wall who is the fuckablest of them all
Mirror mirror on the wall who is it they want to fuck the best of all
Thou O Queen arnt the fuckablest of all
Thou arnt fuckablest than one in thy land O Queen
More fuckable than thou is Snow White O Queen
Oh Queen thou arnt more fuckable than she
O'er hill and dale with seven dwarfs she fucks
Snow White with them all she fucks
Seven Dwarfs do fuck pound and swive she
Mirror mirror on the wall why is she more fuckable than me
She is a pale beauty languid and forlorn;
Red pouting lips a rose midst snow freshly born;
An ashen white beauty- set with limpid black pools;
Darkly shinning fiery lurid jet pearls
A pallid pale beauty framed in luxuriant black hair
And tendrils falling wildly with frangipanni on the air

She is a pale beauty a cunt like a clam
Red pouting lips flower like the color of ham
An ashen white beauty with tits milky like
Darkly shining pubic black hair
Tendrils falling round her cunt with honey odor on the air
A pallid pale beauty on whose tits her turgid nipples do spike
An ashen white beauty art her titties apple like
Darkly red nipples shining hot and bright
Her face divine blood red lips on a face so fine
Lashes long and sleek shading jersey cow eyes
Brows thick and black crescent moons
Lips lilting tones soft dove-like sighs
Breath musk voice a sirens tune
Oh Queen she is more fuckable than thee
She is young ripe
She has youth you see

SNOW WHITE -2

ONCE UPON A TIME

Deep in the bush nestled neath old gum trees

As the moon shone like an emu egg yolk yellow bright hung on a darkly
sheet

Where the wombat eats roots and leaves

Bunyips and skippy frolicked as wooly sheep did bleat

The door of shack did swing ajar and the light within cut the night afar

Sweet Snow did skippy out lift up her skirt and squat for a pee

14 eyes did peer at she

Thru windows key holes cracks and peep holes

The golden pee did gush and squirt

O'er the ground under leaves the piss was rainbow-colored bright

Oh those eyes did dilate and leer at Snows cunny dripping beads of piss like
frozen light

On back legs spread wide

Piss in the air did glide

Come on boys she did sigh

Come on boys on me come and ya drill

Practice ya drillin on me boys till ya give me my fill

14 feet did scramble a rush out the door

Slavering gibbering whooping they did out the door poor

Zips flys buttons did hurriedly drop bye

Hungry, horny, writhing oe'r her slithering, sliding

Mouths on cunt tits clit tumbling turning.

Red gash cunny cream did splash

Fanny lick smooch gamahuch

Mouths besmeared lips of piss as her lips their tongues do lash

Legs up over neck groin to groin cocks up to their necks

In arse cunt mouth Snows holes chockerblock

Pound thrust as into cunt arse the cocks heads plunged

Swivel swive, grind gyrate and stir

The cocks thrust in the cocks pull out fingers clit around as the semen
drips from her

Back rolled round arse thrust up

The hands the tits do cup

Cunt throbs, buttocks balls smack the cocks rams her tingling aching

crack

Up over on back legs aloft the cocks hard pound her cunt so red so soft.

Oh ! Ahh! she cried and Oohh! Ah! they sighed

As from her fanny gaping wide

Smells juices sweat spooof

Splashed over the leaves in a gushing white flood.

Cock lips the sheep bleet

Her bellies rippling pleats

Cheeks mouths hair

In richly cunt cock milk smeared.

The leaves awash in white semen globs

Cunt cream bespeckled with whitely globes

With grunts and moans 14 arms and legs staggered away

Bodies splayed o'er rocks panting on ground on backs on trunks they spread around

Come on boys are you men or tweebz

With red swollen cunt gaping flower wide she did say

Come on boys do your deed

SLEEPING BEAUTY-1

ONCE UPON A TIME

Sleeping Beauty pubescent to the old tower strolled

Up stair-case winding to closed door climbing

Sleeping Beauty rusty key turning saw old women flax a busily spinning

The spindle a turning whorling pumping up down swirling

The spindle lengthly thick a long pointed prick

Sleeping Beauty pubescent to the old spindle strolled

Up to the spindle sidling to the spindle idling

Sleeping Beauty the spindle holding saw the flax a finger pricking

The entrails of Sleeping beauties frail fleshy mould did run with pain

Within her bowels fish-hooks did bite and creep

Stomach bloated like some water filled balloon

Her tits swelled and ached back soar she did quake

From out her quim blood did freely flow

Staining lips like the perfumed petals of a black-red rose.

Down her thighs round pussy lips it did go

Oh release me from this curse

Release me from this blight as Sleeping Beauty swooned into sleep at its
sight

SLEEPING BEAUTY –2

ONCE UPON A TIME

Through brambles that rambled in black inky night to their horny thorns
prince and queen dangled

Left to right pools bloody glittered bloody drops pitted from the myriad's
that on turgid spikes flickered

Effusive roses effulgent from enamelled pools grew effervescing
efflorescing armours black lacquer caressing

Midst brambles horny shambles encased within red roses bower

Lay a beauty sleeping o'er which blood red petals shower

Xerophytes ancepholites laced lewd entwined o'er alabaster slab black upon
her back she reclined

Glass slippers yellow her feet did house skirt short saffron satin lay beneath
a black brocaded blouse

White panties clutched a pussy's lair from who sides did streak bushy black
hair

Pouting lips through the panties sheer did appear
Red menses stained from periodic flows o'er a hundred year
Covered the slab like a dark red scab phosphorecing bright a rose red light
Out of her sleep she rose from a hundred year repose
Pink throbbing hood back curled as her clit unfurled
Ardent fires lit her eyes wild cries animal desires
With anguish high a tear in eye she let our a heart wrenching cry

My blooded-gorged stem my swollen dick-fem
That pink quivering clit- like an engorged cows tit
Longing fills my cleft my lips yearn with sore distress
Feed my need quench my ache for God's sake
Thrust a cock up my yearning gapeing slit
'Fuck me fucker for gods sake make me quake
Engorged on a horn for god sake make my ass cheeks jelly
shake”

To a prodigious height juice out her cunt spurted white
Floated like phosphorant moons light luminous balloons
Pearls liquid bright drifted across the black marble night

Caught by her sighs of amorous lust they did fall and float like sapphires
dust

Flickering fluttering flexes of silk spotted around the blood soaked ground
like phosphorant milk

As a rose-yellow moon lit the inky gloom

Cool and nice a glowing eye set in the night like black jet ice

Did entice like a viper in the tepid pools it shimmered like molten copper

Pink poppies grew in the red blood pools in which her cunt juice did mingle

Swooping swallows black skim as yellow fish swim in the ruby blood their
golden scales tinkle

CINDERELLA

ONCE UPON A TIME

Prince Charming with silver slipper came

To see which damsel would be his dame

Prince Charming to Cindi came

She sits with legs well spread

Leg up to receive the slipper offered

The prince begoggled eyes agog stares a head

His mouth ajar cock throbbing red
His eyes fixed on Cinda he stared
As her skirt lifts like an umbrella in the air
Displaying white cloth clinging to a cleft puffy with hair
Her black skirt so short to see her fannies hairs
Curl round and lace the seams of her panties fair.
Sheer white panties clutched pink swollen lips
As her skirt rose up her ample hips
Black curly fleece black tangled fleece showed neath the shear white crease
Black pubes half hidden by flimsy silk enchant the princely gallant
Her fanny one pink flower nestled in its bower,
Nestled in black curly silk. fleece protrudes from the sides all round
Profuse luxuriance bulge's in the skimpy underwear
As a moist patch spreads midst the silky-white ground
Smoothing her high worn skirt
She turned to him with a with a gleeful smirk,
With a flirting stance
And a smiling glance
A twinkle in the eye had she
A knowing look to let he see

The wet spot was due to he.

TOM THUMB

ONCE UPON A TIME

Tom thumb was the size of a thumb

From head to toe the size of an over ripe plum

But ohh by fuck was he well hung

The girls panties wet would blush

Their cunnies swollen lipped neath downy silk bush

As Tom swaggered past his cock o'er shoulder and trailing in the grass

The girls would giggle and wiggle with a hot randy flush

Sigh and swoon with an itch in the cunt and fire in the womb

As Tom swaggered past his cock o'er shoulder and red knob shinning like
glass

The girls each at his cock would peep

As fluids into their tight panties did seep

Myriad thoughts lewd and rude into their minds ran thru

As Tom swaggered past his cock o'er shoulder trailing some trouser snake in
the grass

The girls beckoned Tom to the shed where they did throng
Panties dropped skirts hitched up
Tom swaggered in cock in hands on which they would ride upon
Smile on face glint in eyes Tom the apple of his old mothers eyes

LITTLE RED RIDING HOOD

ONCE UPON A TIME

Red riding hood before the bed stood
Dressed in red from foot to head
Passions hue covered her to his view
Booties black up to her thighs seemed glued
Cape to ground o'er red skirt hang around
Passions hue covered her to his view
Lips lippy red like blood that bled
Pale white face to his view was led
Red rose hair firey passions glare
Jersey cow eyes o'er which lashes butterfly like made him sigh
OOOO grandmother how thy breath does speed
At thy sight I am pleased
OOOO grandmother thy eyes great saucer like at me stare

All the better to see you with I declare

OOO grandmother thou take me for a goof for thou art a wolf

How did thee know my sweet doe

Thou art a rake I just know

Of with thy fake tis for a wolf I quake

Why doth thou think I dress in this cape

If not to snare a wolf I will state

Of with thy cape come here for my sake

The cape slipped down revealing pert tities apple-like round

On to the bed red did playfully bound

Oooo she coyously did sound

What big tongue you have

All the better to lick you with my sweet chick

Oooo she did coyously did sound

What big lips you have

All the better to kiss you with my sweet dish

Oooo she did coyously did sound

What big teeth you have

All the better to eat you with my sweet meat

Her cunt swollen tomato red she wanted head

O'er the bed she her legs spread
On her gash he did tongue lash
Clity flick fluttering lick
Midst soft moan and lustfull groan
He did on her muff chew and eat
Swallowed her from head to feet.

GOLDILOCKS

ONCE UPON A TIME

A Big black bear into the roomed walked
6 ft 6 brick shit-house-like built
All muscle and cock by god was it a cock
What did he spy with his dilated big eyes
On the bed did lie a sweet nymph he did spy
Black booties knee high
Blouse aside
Skirt rolled up revealing white panties tight size
Curly round the sides so thick fine silk goldilocks did spy
Who the fucks been eatin my porridge the bear did roar
She did up and stare at the sight so rare

Let out a sigh at that cock so wide

Who the fucks been eatin my porridge the bear did roar

Her titties heaved and her cunny creamed at the sight she soar

Who the fucks been eatin my porridge the bear did roar

Fuck ya porridge come hear big boy

Lay across my big brass bed the lay lady did roar

Across the bed the black bear did lay

On her goldilocks thru her panties he did play

Sucking titities cherry nipple

Up her thighs inner thighs

The panty seam his fingers did glide

Most spot did glow as her cunny did flow

Gusset to one side in his fingers did slide

Flesh on flesh raising breaths on breaths,

tender fingers the cunt's swollen lips did foldle

the pearly bud feather-like caress prod and enter the gaping cleft

Middle fingers drink long and deep

lips furred round that which it longed to keep

inner lips outer lips with prodigious might

cling to the digits jelly fish-like.

Fingers thrum thrust gyrate and stir

midst squelch moan and soft purr

the hollow becomes ablaze with swirling light

globes glisten and gleam golden bright bespeckling the pubes like stars in
the night

Fluids gushed spasms tight passions fires rippling desires,

fanny sucked fingers crushed

heaving breaths gasp as lust dissipates and expires.

On elbow she leaned as she suckedddd his fingers clean

Sheet soaked in her cunnies cream

Tits out of blouse

Her goldilocks out of her panties unhoused

All shimmering wet pearly beads strung her golden net

Cunt lips flower-like spread as the pool in the sheet spread

Fuck the porridge the black bear said

Next I wanna give ya some head

JACK AND THE BEANSTALK

ONCE UPON A TIME

Jack to bed one hot sultry night did go
His beans did ache and swollen glow
Of the ache and throb he did not know
To bed Jack did go with frustrated woe
The doves coed rabbits wooed
The mare had its mate
The hen house did shake
Ferrets geese sheep with woolly fleeces
Wooed and had their natural feast
Jack to bed did go with all his unknown woes
The night was full of sighs grunts and as animals did hump
His beans did ache
To his bed he his woes did take
Thoughts of the barnyard thru his mind did race
Hot and flushed became is ruddy face
A fire warmed his groin his loins did quake

Out of his beans a stalk did race

Wide a thickly stake

His stalk did grow and grow

Up thru the roof it did go

A mighty trunk skywards from his beans surged upwards

Up up thru the clouds heavenwards

Oh swollen one on thy sight I look with pride

Proud Jack sighed

Oh swollen one how mighty is thy sight

Thy beauty doth bring delight

Oh swollen one to thee I worship my mighty godhead

Swell and surge thy sight takes me to paradise

Oh swollen one ten feet tall thou makest be feel

My selfhood with thy size grows

My esteem with thy size overflows

Jack the stalk did gripply tight

With both hands he pulled himself up the stalk in the night

Pulling pullin up the stalk Jack thru the roof up the stalk did go

Skywards pulling pullin Jack a huffin up the stalk a pullin

Thru the clouds a pullin Jack did blow

THE FAIRIES BACCHANAL

ONCE UPON A TIME

Into a glade hidden far away I wandered and I will say

Hawthorn oak hazel apple trees did the glens choke

Eglantine ragwort rye and wild thyme spread through the dells in the moon
shine

Phosphorant fairy forms danced half dissolved like bubbles of air transparent
in the moon light fluttering butterfly-wings translucent and bright

As sheer as the panties that clutch around my moist cunny tight

Xanthine crystals like diamond dust shone in fairies teeth as elves into their
mouths did piss

Fluttering around to goblins' view their dewy garments on the wind flew

While hobbits' pixies' did on their hairy twats kiss and chew

Pouting lips unfurled flower-like as their insect-wings uncurled

Rat-faced goblins cat-eyed elves dog-fucked fairies with groans and yells

While dewy wings fluttering flings multi-colours mingling

As from toad-stool headed goblins' cocks' semen spurts phosphorant
pearly slops

Lace-like lacing tittie mounts cherry budded founts

With necklaces pearly which glittered and shone as the fairies did twirl and
flounce

Past goat-hoofed fauns' Satyrs' with horse like horns

Who did sip Nymphs honey dripping slits with slow languid lolliing licks

Cymbals flutes panpipes and lutes wild sigh did flow under the jet black sky

Enveloping fairy hosts which to my cunt pouting did fly

Around it's pink throbbing bud fluttering wings caressed with a whispering
breath

The burning lips that gaped glistening beneath

Rippling tongues a thousand flutters o'er my clit quivers

While scurrying wild tumescent cocked pixies elves slaving goblins
hobbits

Fucked nose ear and the hole in my rear

Squirting spurting phosphorant spurts semen globs frothed out of my bodies
holeyyy bits

Dribbled and dripped to which licked red-eared white dogs

Horses dun shaggy ravens swallows and wrens

Swirled round a sweet sylph's flowery crown bathing in a tub set upon the
ground

Swine snouted mortals stood pounding their cocks semen spurting from their
foreskins hood

Phosphorant gel into the tub with a white king smell oily oozy they did hoot
and yell

Eroticisms ribaldry with alacrity bawdy

The fairy sylph's tits gyrated and stirred wobbled and whirled

Ringlets twirled as her head she heaves ragwort festooned with herbs and
leaves

Xanthophyllous yellow they curled around about and spelt out

Fuck the kiss of love give me thy kiss of lust

Suck my lips with lascivious bliss

Pluck my lips with thy tongue thrust

Amongst cunt lips moist from an amber piss

Encased in tresses coal like black her breasts and neck they did snake-like
lace

Around languorous eyes reptile like the hair did weave and surround

Pouting lips blood-red and fleshy set like rubies in a milk-white face

Phosphoresced under the moon glittered and gleamed and spoke a velvety
sound

I am she Innana men clamour for me

I am she Ishtar men bar up for me

I am she Astarte men pray for me

I am she Aphrodite from the beginning of time to eternity men
are enthralled by me

I am she whom men look back at death door for a last glimpse of
me

I am she who soothes I am bliss I am insatiable happiness

I am men's dreams in the scent of my cunt their honour doth
deliquesce

I am she whose feet are in the hearts of men

I am she who sucks her life force from them

Come! I am delight Come! I am desire! Come I will set thee on
fire!

Spurt thy seed squirt thy sap my food I hungrily lap

I howl I bite I turn men into swine who I entice

Enchain entrap with their balls with their lust like vice

Men to animal form I transform as pleasures price

For their human souls I offer paradise

To mortal men who frantically flogged their cocks semen spurting scent

Aromas musky floral wafted on the air and to the heavens sent

Indoles glittering from nipples dripped and from cunt lips shimmeringly
slipped

Androstenones odorous sweet did from foreskins creep and anuses seep

Perfumes a sea of scents odorous chords playing melodies in the noses of
the randy hordes

Swirling twirling fucking each other in a frantic whirl

Enveloping arms and legs encoiling

Pixies fairy sylphs on the neck did bite as up their coyt they did pound with
might

Cymbals clashed fannies flashed hortas twanged fandangos clacked as the
fairy sylph in the semen splashed

Round flew fiery sparks a thousand fireflies fluttering from a fiery fire

Lit the night with a yellow light gold and bright

Eyes green phosphorant glowing bespeckled the night with fiery light

Slant split-pupiled cat like feral eyes from bushes gleamed and leered at me
it seemed

Their fairy forms thin and pointed like oiled silk in the moonlight gleamed

I swooned and awoke under a moons shiny gleam

All quite a dream it did seem

The only memory a cunny throb and panties wet semen seam
