PRFCE

*To have thy cunt ache to burn to churn
To long for cock to stuff to ram to fill that hole
To scream with lust desire to have thy hole jammed
full of heated hot turgid cock*

*To writhe with lust with insatiable craving
for some hard meat*

Brother son father priest

Friend student for whom the cunny seeps

The cunt doth moan the cunt doth groan

My world my soul for some hard turgid man bone

Quench this ache deaden this dull throb

My cunt drips ooxes

Ahh fill that sloshing fount with some red

mushroom head knob

Plug up my vein release me from this pain

DAUGHTER

*As the bitch pants after the dog daddy dear
On thy ear I bite deep long and deep Oh daddy dear
Give me thrust for thrust
Out of thy living cock
My libation sticky I will drain white and hot'
On thy cock my cunt I will bust
Thou art food and drink for me
Thy cock gives life to thy virgin wife
My cunt pouts and throbs for thee
Fuck me fuck me pound me I plea
Thy very soul I long to drain
Cum to me release me from this pain
My cunt aches for thee
Sucking thy cock it bites sweet agony
Spurt thy seed sweet ecstasy
My cunt hungers for thee
Oh dear oh dear oh daddy dear*

S I S T E R

*Ah my thighs spread wide
 Swollen lips
 Flickering snake tongue tips
 Dance o'er that soft turgid budded clit
 Rapturous lust
 My cunt hole fromst joy dissolutions cunny cream
 bust
 Brother dear slither thy custard tongue
 Up my slit make it run
 To feel thy tongue my cunny drains
 My cunt a gnawing craving pain
 Ah neo-plastic pleasures orgone delights
 My finger nails in orgasmic solvent
 Stimulate magnetism between eye balls glowing lights
 Eeeei lap up lick round lash and pound my cunny
 mound
 Oh brother dear like on the bitch the slavering hound*

SCHOOL GIRL

*Mine eyes kiss thine with languid sighs
Thine arse dear teacher like rounded baubled glass
Into panty girly seam mucous cream glistens like
gelatin*

Oh my fingers twirl

Gyrate and swirl

Round pouting lips

Pink grape budded clit

Seething softly surreal breathing

At thy presence cunt lips heaving

In thy absence lie awake feeling

Cunt hole drooling

Gelatin pools of cunt goo seeping

Into panty girly fingers sweeping

O'er folds

Into hole

Round pink grape budded clit steething

Oh teacher dear thy cock bulge seeing

Like the mare to the stallions cock rutting

Makest mine cunt acke hot and heaving

Ahhh fiddle diddle o'er cunt twiddle

*For fuck sake teacher thou makest mine cunt wet as a
piddle*

FRIEND

*Tom Ted Allen and Fred
 Thou art all my friend
 The modes of pain I suffer
 Oh the pain is much to bear
 I have suffered in the night
 Suffered in thy sight
 Give me your cocks
 That I may drain thy balls
 Suck up thy goo out of thy living members
 Ram thy cocks jab and pound
 Bust my cunt and arse do render
 Spurt thy seed
 Burn up my need
 Cum my studs
 My rutting Billy goat friends
 From arse cunt mouth pours out
 Hot yogurt thick like grout
 All together fuck together
 Link leg and arm around me pound
 Give me thy ruby headed cocks
 That I may fuck aloud
 Give me thrust for thrust
 For fuck sake make my body quake*

GIRLFRIEND

*Ball-bearing balls roll on my pink jelly arse
 Chest to chest pectorals squash my breasts of glass
 Squishy cunt soft to pounding cock thrust
 Boyfriend jabs and jabs
 Oh his mate I see and feel with each boyfriend gust
 Ah fuck me fuck me on his mates arse I grab
 Jam thy cock in its hole doth slam
 Thy mate to me like the sheep to the jabbing ram
 Boyfriend cries it's the mate that makes me sigh
 Swell out swollen
 The hairs on my cunt phosphorescent golden
 Electric spasms rippling orgasms
 Ah boyfriend ram mate slam
 Heave heated breath
 Ah writhing for fuck sake
 Boyfriend mate impale me on thy stake
 Sleek glistening knob headed boyfriends mates
 Long turgid writhing snake
 Ahh my cunt doth florescent glow
 For his mate it doth ooze and quack*

TEACHER

*Sweet cherub boy angel faced school boy
 Thy girl eyes strawberry lips
 Broad young chest slim lithe hips
 At desk I sit in delightful bliss
 On thou gloating
 Cunt goo panty blotting
 Thy arms fingers buttocks broad
 Humid vapors raise from my well spread thighs
 Clit stiffens my well hung boy
 My hairy organ opens swells
 For thy tool between thighs
 Thy horse shank of flesh
 My ecstatic sparking flesh
 Ah my cunt maddens desiring
 Writhing with fire perspiring
 Cunt hole opens electric thrill
 Cunt goo into panty doth spill
 Ah my boy sweet schoolboy joy
 Drop thy pen
 Under desk bend
 Quick rush to cunt
 Thy eyes on my cunt doth send*

WIFE

*Ah my hubbies dad
Backdoor my hubby and my cunts hole rend
Heavy testicled bull
Rise up thy horn maketh my cunt full
Obsessed in lust my cunt is deep with pain
Rise up rouse me up
Oh hubbies dad taketh me again
Round my limbs entwining
Cunt in madness pinning
Thy rod turns cunt to squashy flesh
Odors thick as shimmering bees
Cunt cream oozes down pallid knees
My hubbies dad smell my cunt on earthy breeze
Ahhh turgid bull ram pound fuck me
Churn my hole like wetted cheese
My soul melts in me
Pours out my cunt for thee
Cum my hubbies dad back door he
Cum for fuck sake cum pleasure me*

MOTHER

*Apple of your mothers eye
 Hear my plaintive cry
 No mother has finer loins
 Or spreads more her thighs
 Light of my life
 My moon my sun
 My glorious first born son
 Come take me as thy wife
 Plunge thy tool twixt my two hairy lips
 The hairy organ open neath my ample hips
 Cum my bull thou art food for this randy cow
 Ram thy dangling tool up and in now
 My womb sucks thou up and on thou prey
 My first born son of thou I devour I say
 Thrust in and thy oily paraffin spray
 My cunts great hole
 Great mouth to swallow thou whole
 Cum my son blow
 Give me thy seed quench my need
 Out of thy living tree
 Give thy seed to me
 My cunt will drain thee dry
 Out of thy tool my warm libations fly
 My womb sucks thou up as I heave and cry*

GRANDMOTHER

*Oh my off springs son
How thou makest my old cunt run
Hotter than golden sun
Thou art succor
Thou maketh my cunt lips pucker
Squishy cunt
Ripe juicy succulent
Oh my off springs son
How thou maketh my old cunt run
I twitch and throb
At the thought of thy young red knob
Oh young ram on thou I gloat
Cum my lad fuck the arse of this old she goat
Great turgid cock balls thy rock
Oh my lad my cunt floweth out
Great warm streams ohh the cunt steams
Oily gooey cunny cream
Oh my lad rise come near
Whisper in mine ear
Make thy grand dame happy make her scream*

SUCCUBUS

Out of the gloom
 I enter thy room
 My wet cunt a lily bloom
 A women hot flesh hot blood
 Betwixts whose lips oily cream doth flood
 From thy ruby headed knob pearly cream ooze
 I sup up from whom I choose
 In sleep through thy mind I creep
 In nightmares ecstasy
 From which thou cannot flee
 I clasp my cunt with thy cock
 Clutch hand a feet
 Roll and writhe neath the animal scented sheet
 Kiss thy lips
 As I roll my sweaty hips
 In the night the sleep-time night
 My cunny cream glow-worm bright
 My cunt thy cock hast kissed
 Sucked up and given bliss
 Turned thy dreams to fire
 Sleep-time desire
 My cunt a wet lily bloom
 When nightly I roam to thy room
 In hot embrace face to face
 Gulping down your soul in my cunt so cold
