APOTHEGM

HYMN

Oh! mushroom headed God,
Oh blue veined stem thou mighty Godhead
At thy feet I prostrate and for thee weep
Worship, kow tow and of thee entreat
Rescue me from my horny plight
By thy tumescent throbbing sight
My lips fold out, expand and pout
They long to clutch, furl round that bulbous headed spike
Caress, devour and of thee to me give life.

Sorrow fills my eyes without thy sight Oh mushroom headed sprite
The days are long and pained filled is the night
My heart longs for thee of thee I whish to see
My love for thee sets in my soul, my love, my divinity.
Grant me peace give me thy grace
Show to me thy blood gorged face
Come my beloved this very hour
And of me devour.

Oh lord my body wastes sleepless are my nights
Beloved when will thou come and rescue me of my plight
Oh lord I am thy slave without thee cowered and afraid
Fasten thy eye upon me lord and release me from my pain
Oh lord show me thy compassion, thy love, thy burning passion.
Come my darling my beloved thy coming fills my need
Come Oh lord without thee I feel no ease
Come Oh lord and save me I beg thee please.
Upon thy swelling stem My lord I offer myself as sacrifice
Again and again, once, twice, thrice.
Oh lord quench my fires burn up my desires
With one almighty burst squirt forth thy frothy seed
Oh lord of my anguish may my hymn please intercede.
THINGY

My eyes explore tentatively that bulge

My eyes open thy zip

Uncovers the flesh of thy body

Unclothe thou in nudity

I guess at it

Testing each surface of thy crotch with light eye licks

What lies there neath clothe and scent

Thingy what art thou

Lover behind thy eyes smile

The stem of love nakedly lies

Thingy my eyes discover every crevice

I wonder what hot flesh my eyes caress neath that garment

The kisses of my eyes reveal what the clothes conceals

Art thou dare I say dare I guess

Thingy

When Its eye met mine I turned aside and to the ground gazed and sighed
COCK

Oh mighty cock

Proud majestic hard like a rock

Soft hot

Beautiful to gaze upon like a dazzling peacock

Oh regal cock they lovely eye looks large

Thy rounded form proportioned neither large nor small

Thy rounded form proportioned neither short nor small

Oh regal cock thou art soft as a dove and thy form fills me like a glove

Cum oh mighty cock

Remove my pain

Set thy form in my brain

Thy smooth form charms my eye

Thy lovely eye looms wide

Thy noble knob crowns thy neck like a peacocks plume

Oh regal cock

All my hopes are fixed on thy bloom

Condescend a glance

Before thee I sing clap hands and dance

Oh mighty cock my mind is entrapped in thy form.

Right regal cock proud majestic of thou I entreat and worship thy phallic
**DONGER**

Ohhhh my god

Thy size startles my sight

Thy shape thy prodigious might

Some mighty bow shape erect and taut

Large and firm a crescent moon bent shaped abode of zoosperm

Ohh my god like some giant zucchini mighty rod

Ohh my god

My hopes lie in refuge with thee

Ohh my god cum to me I beg thee

In thy form I am enthralled

Cum to me proud one

Ohh my god thy splendour is like the sun

A fish out of water art I without thy sight

In writhing agony I die

Thy size fills my longing holes such that with joy I cry

Prostrate I lie at the base of thine

Oh my god without thy sight my soul feels sore pain I claim

Ohh my god my body my mind I offer to thine

In sacrifice I offer myself again and again in thy sight
**SHLONG**

Fucking hell
I do tell
Oh my god
At the length
Of thy rod
Banana-like
One long spike
Eel-like
Marble feel
Hard like steel
Oh shlong
Long
Out thou prong
Enough long meat
To fill many a sheath
My eyes are spell bound at thy angular pose
I dance and twirl round thy pole
Raptures joys untold
Oh shlong
With vigour love thou fills my soul
Thy servant art I
The clouds send rain
The storm sends lightning bright
Thou to me sends floods of fulgent light
To her love the cockatoo calls
In abandon I cry out “Oh shlong fill up my all”
PRICK

Ah prick thou art
Cocksure and oohh so smart
Ah prick thy eye squints and oh so fucking sly
Ah prick bad boy you make me sigh
Quiver
Tremble
I doth flow a river
My eyes are blurred with tears
Ah prick without thy sight
I wither a flower without sun light
Thy shiny plum head
Thy thick cucumber neck
Sweet is thy sight
Oh prick says I when shall I kiss thy eye
In thy absence I toss and turn
Ah prick thy smile sweet smirk
I Writhe and burn
At thy form I gaze and churn
My eyes art red oh prick tears stream my face I lovingly lick
**DICK**

Oh my lovely Dick

My godhead round and thick

My heart doth pump

The blood flows hot and quick

My arteries doth thump

As thou lifted thy head

And thy stems tangled web of veins did surge and burst

Oh my lovely Dick

Round and thick

Tapering

Thy head a pulpy fruit fresh

Large apricot appetising flesh

I kiss its glossy silk form

My love sets in me deeply

The moth burns to ashes in the fires firey flame

I burn in my desires yearning pain

I come forward to grasp thy stem

Come to me

Don’t forsake your supplicant again
**WILLIE**

Oh my little friend

Bean-like a chilli-like stem

Come out to play

Lets dally gambol and be gay

Oh Willie lets be naughty coy and silly

Thy little tool all taut and silky cool

Oh Willie thy fountain of nectar quenches my thirst

Thy bean-like form doth cause my heart to burst

Raptures surge

Cum take me as thy own

Thy form I embrace thou tight

The bird the air needs

The fish the water without dies

Ohh Willie thy sight gives me life

The lyre-bird hears the thunder

I like it dance in ecstasies trance

Thou I abandoned in loves sport

My dearest Willie to heaven thou doth transport

**PENIS ENVY**

Ooh my god that my it were the size of a rod

Oh my god to rub to flick twirl and twist to enlarge it

To make it goes this way and that

To fiddle flop dangle and slap

Write your name in the sand

To piss and squirt as you stand

To fiddle flop dangle and slap to play with all day long

A thruster

8 inch by 10 inch long

A mighty prong to fuck with guster

As big as a horse a monster to fuck with force

To feel it throb a hot red knob

In a mirror stand holding it in hand

Admiring how great and grand

To feel a cunt around it like a rubberband

To make her groan cum writhe as I pound her with my burning bone

Ahhh that my clit grew larger larger larger Ahhh my meaty rod ohhh

my fucking god
**FECUNDITY**

The sap rises up the turgid stem

Bursts forth in foam from the blossoms gaping eye

Semen spurts spoopy froth sprays in the sky

Fragrant scent the earth freshened by sprog showers

Trees flowers set forth flowers bud

Womens thoughts turn to love

Fruits ripen elephants rut

Wombats gazelles insects damsels hearts twisted with longing spells

Tremulous eyes enchanting each other spies

Semen to the earth rains down

Glittering gems of kaleidoscope coloured fire

Women driven by passions scurry to midnight desire

Bees driven mad dance round peacocks firey plumes

Strutting prancing randy grooms

Up wells the earth succulent growth spurts forth

Teeming life seethes irr upts o’er under

Loves dance as the spoof from the knob doth thunder

Great globs splash down

The earth abounds

Life all around
